Daniel 3

- 1.** Think about examples of true faith that you have witnessed. How would you describe the characteristics of true faith?
- 2.** The king used music to get the people to worship the idol. In what ways is music used today to build our allegiances to something or someone? How can we change the negative impact that music can have on us?
- 3.** List some ways we are asked to compromise within our culture if we are going to fit in with the general public?
- 4.** In his message, Pastor Neil gave us three take aways or points of application. What were they? Take some time to discuss ways that you can implement each one of these in your day-to-day, this week.
 1. Choose to be good in example, not good in excuses.
 2. We can stand when we settle things beforehand.
 3. Your faith is greater than the fire. There's purpose in the pain (James 1).
- 5.** How would you define the kind of faith that gives you the strength to counter your culture?
