1 Timothy 2:8-15

1. In the context of the church, how are men (males) to conduct themselves? Consider Matthew 6:14-15.
2. How should women (females) dress in a church gathering? Why? What should be modeled by women of God in a church gathering?
3. Considering James 4:7, Ephesians 5 and 1 Peter 5:5, what does Paul mean by submission in verse 11? Contrast this with Ephesians 5:20. Discuss submission and equality for women in the context of the church.
4. "If Paul were alive today, he wouldn't have written this." True or False? Why? What is the context of this section of Scripture?
5. Considering John 13, discuss how Jesus modeled submission for us? What are your take aways from this discussion? If we don't get the structure and order of the church from scripture, where will we get it from?
